

# BAPTISM

TAKE YOUR NEXT STEP

When we read the Bible, we discover that people who were baptised had already repented or said "sorry" for the things they had said & done wrong, & for excluding God from their lives (Acts 2:37-38). When we are baptised we declare that we believe Jesus is God's Son, that He died and rose again, and that He is our Lord & Saviour. Being fully immersed in water is a step of obedience; we do it because Jesus has instructed us to "repent & be baptised" (Matt.28:19). It is symbolic of a commitment to follow His example, to apply his teachings in our every day lives & that a process of cleansing & transformation, a relationship with God has already started on the inside!

Once you have returned this form, a Pastor/Leader of the church will contact you. We ask that you attend a short Baptismal Class, usually held after a Sunday service. It's a great opportunity to get all the information you need, to ask any questions you may have, and meet with others who are considering taking their next step too!
